Folly Bill Noel

Chris Landrum is about to have it all—an extended vacation, a second home at the beach, and early retirement. There's only one glitch—murder is part of the package on the small South Carolina barrier island of Folly, where eccentric residents live bohemian lifestyles in the shadow of historic Charleston.

Soon after settling on Folly Beach, Chris is befriended by an unlikely cadre of locals: a realtor who looks like an out-of-season Santa with an attitude; a waitress who shares rumors and effuses charm; a professor; a lovely, intelligent, and unattached reporter; and a quirky, president-quoting, tag-along companion. He is fascinated by the company of his newfound friends, the novelty of the strange island that they call home, and the contrast of it all to stately Charleston. But when Chris finds the body of a prominent developer and lands in the middle of the Folly Beach spotlight, he immediately becomes a threat to the killer—and his vacation paradise might be the scene of his own untimely death.

Vacations aren't nearly as much fun when one of your new acquaintances is trying to kill you, and catching a murderer is not the normal way to spend an extended holiday. But on Folly Beach, what's normal? Chris will take on a challenge that is anything *but*.
