Talking with Mormons: An Invitation to Evangelicals Richard J. Mouw

For over a decade Fuller Seminary president Richard Mouw has participated in Mormon-evangelical dialogue with a view to developing a better understanding between the two groups. His participation in these discussions has drawn severe criticism and even anger from people who believe such talks are pointless or even dangerous.

This brief, highly accessible book is his answer. Advocating humility, patience, and a willingness to admit our own shortcomings, Mouw shows why it is necessary to move beyond stark denunciation to a dialogue that allows both parties to express differences and explore common ground. Without papering over significantly divergent perspectives on important issues like the role of prophecy, the nature of God, and the creeds, Mouw points to areas in which Mormon-evangelical dialogue evidences hope for the future. In so doing, he not only informs readers but also models respectful evangelical debate.
