Thug Addiction is an urban love story about the perfect romantic chemistry that exists between two young African Americans who come from opposite sides of the tracks. Desmond has spent his short life in the school of hard knocks. As a light skinned, shrewd, gun toting drug dealer, he grew up on the poor side of town, and has never had anything special walk into his life, until Monica happened by, that is.

Monica was one very special lady, easily the most beautiful woman he has ever seen. She is also very witty, charming, fun, ultra-sexy, and caring. So when Monica has car trouble, not only does the sweet talking Desmond offer to let her use his phone, but actually changes her flat tire for her and even follows her home to make sure she arrives safely.

The two begin to date casually, but it is obvious from the start that an escalating relationship is brewing that is wondrously explosive, and filled with an undeniable love for each other neither of them can control.

Monica has always had a passion for bad boys, but has to let Desmond know that as much as she loves him, and his ruggedly handsome exterior, she will not spend her life living in his illegal and dangerous world. She gives him an ultimatum, either he leaves his drug dealing world behind, and steps into hers, or he says goodbye to the gorgeous, super sexy, virgin woman of his dreams forever and ever. Monica knows she is bluffing, because her heart and mind are in too deep, and there aint no way she can ever hope to live without him. But does Desmond know that? She tells Desmond he now has a chance not only for a new love, but a new life! What will Desmond decide?
