*Tom Ogden*

**Haunted Highways: Spooky Stories, Strange Happenings, and Supernatural Sightings** Tom Ogden For most of us, most of the time, the roads we travel are largely forgotten once we get to where we're going. By day, they usually reveal a familiar, real?*living*?world. But then darkness comes.

**Haunted Highways** brings together more than twenty of the spookiest stories ever of ghosts, hauntings, and supernatural events on or near <?xml:namespace prefix = st1 ns = "urn:schemas-microsoft-com:office:smarttags" />America's highways and byways. There are the usual suspects?the creepy hitchhiker, the eerie lights along a lonely stretch of road?as well as many you never dared to imagine. <?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" />

Each of the book's twenty-five chapters ratchets up the suspense, from an introduction that sets the scene and draws you in, to a haunting climax. Whether the actor Telly Savalas's haunting encounter with a long-dead good Samaritan on a rural Long Island road, or the Ghost Riders in the Sky who appear over the plains of Texas, these stories will bring delightful fright to readers young and old.
