Jesus and the Gospels Craig L. Blomberg

This second edition of *Jesus and the Gospels* prepares readers for an intensive study of Matthew, Mark, Luke, John, and the events they narrate. Craig Blomberg considers the historical context of the Gospels and sheds light on the confusing interpretations brought forth over the last two centuries. The original 1997 book won a Gold Medallion Award from the Evangelical Christian Publishers Association, and this updated version, factoring in new scholarship, debate, critical methods, and the ongoing quest of the historical Jesus, ensures the work will remain a top tool for exploring the life of Christ through the first four books of the New Testament.
