#### **Anthony Muller:**

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this Lecture notes; elderly care medicine, 7th ed. can make you feel more interested to read.
