Universidad 2.0 (Spanish Edition) Rafael Rangel Sostman

El papel de las universidades en nuestra sociedad y su futuro en el desarrollo de la humanidad

Una plataforma de reflexión para quienes están al frente de las instituciones.

Ante las profundas transformaciones de nuestra sociedad, caracterizada, entre otros aspectos, por vivir un proceso de globalización en medio de la revolución digital, y por los desafíos que para el desarrollo plantea la nueva economía del conocimiento, la Universidad se ve obligada a redefinir la misión que debe desempeñar en la actualidad.

Universidad 2.0 es la propuesta de un autor con la experiencia de ser rector durante 27 años de un importante sistema universitario. Según su autor, la misión de la universidad es convertirse en el motor del desarrollo económico, educativo y social; la generación del conocimiento necesario para resolver los grandes retos de desarrollo de nuestra realidad; el involucramiento social; el impulso de la equidad; así como el incremento de las oportunidades a fin de disminuir las brechas socioeconómicas.

De tal manera, *Universidad 2.0* es una plataforma de reflexión para quienes están al frente de las instituciones universitarias en nuestros países, así como de todos aquellos interesados en el desarrollo equilibrado de la humanidad.

Shirley Morales:

Many people spending their period by playing outside together with friends, fun activity together with family or just watching TV all day long. You can have new activity to enjoy your whole day by reading through a book. Ugh, do you consider reading a book can actually hard because you have to take the book everywhere? It all right you can have the e-book, getting everywhere you want in your Smart phone. Like Universidad 2.0 (Spanish Edition) which is getting the e-book version. So , why not try out this book? Let's notice.

Calvin Lee:

As a scholar exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's spirit or real their hobby. They just do what the educator want, like asked to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Universidad 2.0 (Spanish Edition) can make you experience more interested to read.
