## Finding Miss McFarland: The Wallflower Wedding Series Vivienne Lorret

*Fans of historical romance authors Lorraine Heath and Sophie Jordan will adore Vivienne Lorret's latest Wallflower Wedding novel.*

Delaney McFarland is on the hunt for a husband—preferably one who needs her embarrassingly large dowry more than a dutiful wife. After the unspeakable incident at her debut, Delaney knows marrying for love is off the table, but a marriage of convenience—one that leaves her free to live the life she chooses—is the next best thing, never mind what that arrogant, devilishly handsome Mr. Croft thinks. Delaney plans to marry for money ... or not at all.

Ever since the fiery redhead burst into his life—in a most *memorable* way—Griffin Croft hasn't been able to get Miss McFarland out of his mind. Now, with the maddening woman determined to hand over her fortune to a rake, Griffin knows he must step in. He must help her. He must *not* kiss her. But when Griffin's noble intentions flee in a moment of unexpected passion, his true course becomes clear: tame Delaney's wild heart and save her from a fate worse than death ... a life without love.
