## **Go Deep: A Bad Boy Sports Romance** Bella Love-Wins **Slade 'Slaughter' Clark**

I'm a southern college football star in my senior year, and all eyes are on me, just the way I like it.

I'm not riding a wave to the NFL. I am the wave, and everyone knows it, including my fans, opponents, coaches, every NFL agent who matters, and the hot little chicks who follow me around.

I'm the whole package...with a package that leaves chicks wanting more.

There's just one exception. Cassidy Greyson. She is the uptight cheerleader, my brother's best friend, and a fellow student in a few of my courses. Getting a piece of her is now my informal senior year 'pet' project. Little does she know she's about to be owned.

### **Cassidy Greyson**

I worked my butt off for three school years and two long summers so I could graduate early and get the hell out of my backwater life in Louisiana. Sure, I stuck to the cheerleading, but only because it was a family tradition that my mother insisted I keep up. Just because my older sister, Caroline, fell for the 'be-a-cheerleader-to-marry-an-NFL-star' trap, doesn't mean I want to follow in their footsteps.

This is why Slade 'Slaughter' Clark doesn't have a chance in hell. I've avoided falling for the arrogant jock up until now, and there's no way I'll let him in. My business professor may have thought he was doing us both a favor when he forced Slade and me to partner up for a major project. I just wish I didn't have to stare into his sexy hazel eyes or watch him flex his tight, bulky muscles while we work together.

\*Author's note. Go Deep is a full length, standalone story with a HEA ending and no cliffhanger. This story is light on football and heavy on steamy romance.
