Historias de las dos Españas (Spanish Edition) Santos Juliá

Una historia coral de las sucesivas, contradictorias y enfrentadas historias de las dos Españas. Obra galardonada con el Premio Nacional de Historia de España 2005. "Dos Españas, señores, están trabadas en una lucha incesante", dijo en cierta ocasión Ortega, resumiendo con su proverbial aplomo una historia de siglos. Dos Españas que son, más que el resultado de un análisis, el gran relato de un pasado con el propósito de abrir un futuro: "una España muerta, hueca y carcomida y una España nueva, afanosa, aspirante, que tiende hacia la vida". De esa creación cultural y de los sujetos que la inventaron y la echaron a rodar trata este magistral libro de Santos Juliá, en un recorrido que abarca desde los primeros escritores públicos, testigos de la revolución liberal de principios del siglo XIX, a los jóvenes intelectuales de mediados del siglo XX, protagonistas de la recusación del gran relato de las dos Españas. Entre medias, la generación del 98, que dio a España por muerta; los catalanes, que despertaron a su nación para incrustarla en una Espanya gran; las gentes del 14, que hablaron de una España viva; los jóvenes de la República, que acabaron llorando su pérdida; los católicos, que salieron a su reconquista; y los fascistas, que la soñaron, unida e imperial, a orillas del Arlanzón. En conjunto, una historia coral de las sucesivas, contradictorias y enfrentadas historias de las dos Españas.
