## Heaven and Earth - 1 - Now: A concise "3 by 3 by 3" in aid of the reunification of Woman and Man

André Höfer

The intention of this book is the "harmonious" coexistence between man and woman. However, we can only bring this to fruition by working together, when we ourselves are in accord with our own true Self. Accord is generated when we listen in complete silence to the inner voice deep in our own heart and follow its suggestions. For only then will our inner truth and the living life outside grow more and more towards unity. We are becoming the "No. 1" we are. The more accord there is within us, the more there will be harmony within us and in our relationships!
