**Polvere e peccati (Per altri versi) (Italian Edition)** Federico Celestini

Rubare momenti di vita, farli propri e restituirli in versi di profondità e saggezza.

Rubare i significati degli eventi, gli angoli dell'amata città e descriverli agli altri.

"Polvere e peccati", versi che catturano e fotografano pensieri, espressioni, tradizioni, convinzioni.

Ogni passaggio è il percorso di un tempo che accumula emozioni.

Un preludio su cui sfocia ogni eterna separazione che arriverà, con lo spirito che, vivendo su ogni conseguenza e probabilità, ciò che senti si realizzerà.

La poesia è l'ispirazione delle parole, una dedica d'amore, una farfalla che vola silenziosa e ti accorgi di lei solo quando si posa.

È la mela del peccato che, una volta nella vita, tutti si trovano davanti e alla quale è difficile sfuggire.

La poesia è il sentiero dove ogni passo è vivere in bilico tra scegliere e rimandare pretendendo di doverci provare, perché niente è più bello di esserci.

Federico Celestini ripropone ciò che a ognuno di noi pare di aver sentito e letto tante volte. Lo fa con stupore, attraverso la magia della poesia che ricolora ogni cosa facendocene dono come se fosse la prima volta.
