Principles of Discipleship Charles Finney

Following a period of great revival, Charles Finney reached a point of physical exhaustion. This resulted in his taking time to write a series of articles to continue the work of discipleship in a the new believers scattered throughout the regions of revival. These practical instructions on a variety of subjects were published in The *Oberlin Evangelist* periodical. Compiler and editor L.G. Parkhurst has reshaped these letters addressed to specific themes into book form for the first time.

Principles of Discipleship deals with the practical aspects of maintaining a growing walk with Christ--advice for pastors, parents, new believers, mature believers, as well as letters concerning sanctification. Together they present a clear message on conforming our lives to the image of Christ.

Challenging today's "Easy Believism" with the cost of true discipleship.
