Grandes tesoros ocultos (Spanish Edition) Javier Martínez-Pinna

“El viajero interesado por estas y otras apasionantes aventuras tiene en el ensayo de Javier Martínez-Pinna, Grandes Tesoros Ocultos, una completa guía para descubrir la auténtica historia de los grandes tesoros piratas, las fortunas de Atila el huno, Moctezuma o Gengis Khan.”(Blog Lugares con historia)

Los grandes tesoros piratas, las fortunas de Atila, Moctezuma o Gengis Khan, la ciudad de El Dorado y otras muchas riquezas permanecen aún ocultas. Este libro, como un mapa, sigue las pistas que nos dejaron.

En *Grandes tesoros ocultos* se estudian algunos de los tesoros más perseguidos de todos los tiempos, y no sólo los que tienen una naturaleza física, sino también algunos con un carácter más espiritual y cognitivo. El ensayo está dividido en una serie de capítulos y, en cada uno de ellos, trato de explicar los hechos históricos que provocaron la aparición y el ocultamiento de estos enormes botines para posteriormente intentar dilucidar el lugar en los que, a día de hoy, esperan a ser encontrados.

Javier Martínez-Pinna ofrece distintas hipótesis para tratar de explicar la ubicación de estos tesoros, por lo que ofrecerá al lector la posibilidad de elegir el lugar más adecuado para seguir su rastro. La ubicación de estos tesoros perdidos nos permite recorrer todos y cada uno de los continentes, abriendo la posibilidad de que el lector recorra distintos espacios geográficos en busca de lo desconocido. En este sentido, podrá utilizar este ensayo como una especie de libro de viajes para estudiar, por sí mismo, algunos de los enigmas más apasionantes de nuestro pasado.

Razones para comprar la obra:

- *Por primera vez se reúne en una única obra un punto de vista integral sobre todos los tesoros de la historia, de los más conocidos a los más misteriosos.*
- La obra ofrece distintas hipótesis evitando dar una opinión subjetiva de los hechos que no han sido aún probados. Por tanto permite que el lector decida qué hipótesis creer, estimulando el afán de conocimiento de los lectores.
- La obra puede ser considerada una atractiva guía de viajes por parajes y países con un gran papel en la historia.
- La obra está profusamente ilustrada. Contiene más de 60 ilustraciones, mapas, fotografías de los lugares, retratos de los protagonistas,... que aportan una mayor riqueza a la obra y favorecen la contextualización espacio-temporal e histórica de los tesoros.

Otros ensayos centran su atención en algún tipo concreto de tesoros. En esta obra se recorren distintos lugares y momentos del pasado, y se proponen nuevas posibilidades: tesoros piratas, grandes tumbas, los grandes tesoros precolombinos, el Dorado o el gran secreto de los caballeros templarios.

From reader reviews:

Jonah Masten:

Book is actually written, printed, or descriptive for everything. You can realize everything you want by a publication. Book has a different type. We all know that that book is important matter to bring us around the world. Next to that you can your reading ability was fluently. A e-book Grandes tesoros ocultos (Spanish Edition) will make you to be smarter. You can feel far more confidence if you can know about every little thing. But some of you think in which open or reading a book make you bored. It is far from make you fun. Why they could be thought like that? Have you searching for best book or suitable book with you?

Joe Bell:

Information is provisions for people to get better life, information today can get by anyone with everywhere. The information can be a information or any news even an issue. What people must be consider any time those information which is inside the former life are challenging to be find than now could be taking seriously which one works to believe or which one the particular resource are convinced. If you get the unstable resource then you understand it as your main information we will see huge disadvantage for you. All of those possibilities will not happen with you if you take Grandes tesoros ocultos (Spanish Edition) as your daily resource information.

Johnnie Lewis:

This Grandes tesoros ocultos (Spanish Edition) is new way for you who has intense curiosity to look for some information mainly because it relief your hunger associated with. Getting deeper you onto it getting knowledge more you know or perhaps you who still having little digest in reading this Grandes tesoros ocultos (Spanish Edition) can be the light food in your case because the information inside this book is easy to get by anyone. These books develop itself in the form that is certainly reachable by anyone, yep I mean in the e-book form. People who think that in book form make them feel sleepy even dizzy this guide is the answer. So there is absolutely no in reading a guide especially this one. You can find actually looking for. It should be here for a person. So , don't miss this! Just read this e-book kind for your better life and also knowledge.

Mark Morrow:

As a pupil exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some publication, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that looking at is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Grandes tesoros ocultos (Spanish Edition) can make you truly feel more interested to read.
