Incripciones críticas: Ensayos sobre cultura latinoamericana (Spanish Edition) Mabel Moraña

¿Cómo dialoga el universo de lo visual con las demás formas de representación simbólica en las distintas épocas de la historia latinoamericana? ¿Qué tensiones atraviesan hoy día el campo profesional de los estudios literarios y culturales? ¿Puede hablarse de post-humanismo en América Latina? ¿Cómo afecta la globalización los procesos de producción de conocimiento, las políticas culturales a nivel nacional, la relación interdisciplinaria, el campo transnacionalizado del latinoamericanismo? ¿De qué modo promover una “ecología de los saberes” en sociedades multiculturales? Dividido en tres partes que interactúan a nivel crítico y teórico (I. Imaginarios visuales, II. Literatura y estudios de área en un mundo global y III. Saber/Poder/ Vivir en América Latina) este libro intenta aproximarse a esos y otros temas que ocupan en el presente la reflexión cultural desde/sobre América Latina: (post)modernidad, otredad, arte público, biopolítica, melancolía, violencia. Se articulan así dimensiones estéticas, políticas, ideológicas y sociales, desde la perspectiva de debates actuales que permiten inscribir la crítica a nueva luz y revisar con rigor sus cometidos, su metodología y su sentido histórico. Mabel Moraña (Washington University, St. Louis)
