Stuffed Brian M. Wiprud

Leaping fishes. Prowling bobcats. Frosty penguins and mute moose heads...These are the things that fill Garth Carson's life as he buys, sells, and rents exotic taxidermy from his funky New York City storefront. But now Garth and his gal, Angie, have acquired the most sinister stuffed critter in the world: a certain white crow in a bell jar that Angie swoons over—and that other people are dying to get their hands on.

When the crow is stolen, along with \$50,000 worth of their best taxidermy, Garth and Angie are plunged into the spooky heart of old New England and a realm of crazed carnies, bumbling feds, and a couple of freshly snuffed collectors. To save their bird—and their lives—these two reluctant sleuths must penetrate a zany, highly illegal international treasure hunt...and confront a freak who has a thing for murder.

“The funniest tough-guy writer there is.”

—Lee Child

“Audacious and always original. Wiprud twangs funny bones I never knew I had.” —T. Jefferson Parker

It can be your alternative in spending your spare time, typically the book you have read is Stuffed.

James Labrecque:

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just tiny students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring in addition to can't see colorful pictures on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Stuffed can make you truly feel more interested to read.
