Dr. Napoleon Hill's landmark book *Think and Grow Rich* does not restrict the concept of riches to such narrow parameters as fortune and fame. You have the right to be rich, and you deserve to be rich in every way—personally and spiritually—as well as financially. This seemingly simple idea spawned a philosophy about wealth and success that has permeated every generation since its inception.

*Your Right to Be Rich* gathers transcripts from the most vital and important speeches given by Napoleon Hill. Available in the past only as audio editions and sound-bite snippets, transcripts from these speeches will be presented in print for the first time here.

*From the Trade Paperback edition.*
