## **Druze, The: Culture, History, Prospects** Abbas Halabi

The Druze, a much-misunderstood Muslim sect primarily inhabiting the Levant, have endured centuries of persecution by orthodox elements hostile to Islam's rich sectarian diversity on account of their esoteric divergence from mainstream Islam. As a result, they have become a 'fighting minority', as described by one of their most illustrious leaders. Druze religious belief branched out from tenth- and eleventh-century Shi'ism, and includes elements derived from Islamic mysticism. It enshrines all religious schools, but posits itself as the sole path to mystical knowledge. Druze teachings are kept secret, so libel and slander by their opponents have been generally left uncorrected. The Druze have preferred taqiyya (dissimulation) when independence or freedom of belief proved unattainable, which has exacerbated ignorance of their faith. Such mystification makes any enquiry into Druze doctrine or history a delicate endeavour. In this valuable study, however, Abbas Halabi (himself from a prominent Druze family and closely involved in Lebanese Druze policy) elucidates misconceptions about Druze origins. Halabi elaborates on the political role played by the Druze in the history of the region, and evaluates their chances of survival in an era when religious tolerance and political democracy are still nascent.

We can say that no publication that offer you world within ten or fifteen small right but this e-book already do that. So , this is certainly good reading book. Hi Mr. and Mrs. stressful do you still doubt that will?

#### **Joseph Franson:**

As a pupil exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make summary for some e-book, they are complained. Just minor students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this age, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Druze, The: Culture, History, Prospects can make you truly feel more interested to read.
