Francisco Hernández

El corazón del avispero (Centzontle) (Spanish Edition) Francisco Hernández

Antología de poemas de amor y desamor, seleccionados por el autor, que reúne versos que bien podrían leerse en cualquier época o idioma, pues apelan a emociones universales, miradas compartidas y sentimientos que salen a flor de piel. En ella se podrá confirmar la mirada precisa y el eco fiel con los que la poesía del autor disecciona la rara anatomía de las relaciones interpersonales, la métrica callada que establecen los sentimientos o las imágenes de la atracción física.
