## **When A Man Is Torn Between Honoring His Country And The Woman He Loves, The Best Option Might Be To Choose Both**

When Maggie du Woernig willfully ignores her parents' admonitions and entangles herself with Nik Koenig, she is certain he's the only man who will make her happy. Blind to Nik's real intentions, she throws herself recklessly into a situation that could not only destroy her life but compromise the safety of her country.

Han Heinrich has resigned himself to working in the castle stables, mostly as an excuse to have contact each day with Maggie. His aspirations for a more fulfilling career seem fruitless, in spite of his father's position as the duke's highest advisor. But when Han learns about Maggie's precarious situation, he is willing to sacrifice everything to protect the woman he loves, and to save the country he would die for. He only hopes that someday Maggie will forgive him.
