Fury: Episode 2 (Book One of The Cure) Charlotte McConaghy

The sharp, tangy scent of rusted steel is in my nose. Bales of hay are bright yellow, like spun gold, shimmering in the light of the fire. There's more yellow—long tendrils of hair that belong to a child. I can smell her, can smell her fear.

It makes me hungry.

It's not rusted steel I smell after all—it's blood.

Scared of her growing feelings for Luke, Josi strikes out on her own, determined never to get close to another living soul. A desperate fear is kindling inside her—a fear of the intimacy Luke craves, and a fear of her own terrible past and the trail of murders she has left in her wake.

Despite the danger, Luke is drawn to Josi, and is determined to discover the truth about her fury despite the risks. Luke knows that Josi will be hunted by the Bloods—the secret police who slaughter anyone who hasn't been cured.

Is Josi's fury enough to keep her alive? And will the deadly secret Luke is keeping from her be discovered? It is a secret he has fought to protect—lied to protect. A secret that could destroy them both if discovered ...

This is a novella-length episode of Fury. It will conclude with Episode 3 on 25 March. For more information visit momentumbooks.com.au/books/fury-episode-3/.
