To a little girl, a dad always seems to have the right answer to everything. He knows how to tie shoelaces, build tree houses, and catch fireflies. But as little girls grow up, the challenges begin to change. As these little girls grow into independent young women, questions about love, relationships, and marriages prevail. Combining letters to his daughter Paige with his sound principles as a seasoned marriage therapist, Donald Harvey's new book strikes the perfect balance between a dad's caring thoughts and a professional's wise insights.

Throughout the book, the author tenderly discusses several issues and considerations that young women should keep in mind as they date and seek to develop lasting and healthy relationships. Topics include:

- Some people aren't marriage material.
- Is this relationship making me a better person?
- True intimacy: God's best for your sex life
- Am I settling for less than I deserve?
- When should a relationship be broken?

The perfect gift for any daughter, *lovedecisions* encourages young women to embrace who they are and seek out the partner that they deserve.
