This widely respected study of social conflicts between the patrician elite and the plebeians in the first centuries of the Roman republic has now been enhanced by a new chapter on material culture, updates to individual chapters, an updated bibliography, and a new introduction.

- Analyzes social conflicts between patricians and plebeians in early republican Rome
- Includes chapters by leading scholars from both sides of the Atlantic illuminating social, economic, legal, religious, military, and political aspects as well as the reliability of historical sources
- Contributors have written addenda for the new edition, updating their chapters in light of recent scholarship
