The Essential Guide to Internal Auditing K. H. Spencer Pickett

The Second Edition of *The Essential Guide to Internal Auditing* is a condensed version of the *Handbook of Internal Auditing*, Third Edition. It shows internal auditors and students in the field how to understand the audit context and how this context fits into the wider corporate agenda. The new context is set firmly within the corporate governance, risk management, and internal control arena. The new edition includes expanded coverage on risk management and is updated throughout to reflect the new IIA standards and current practice advisories. It also includes many helpful models, practical guidance and checklists.
