Aprender a aprender (Psicología y Autoayuda) (Spanish Edition)

Roberto García Carbonell

Aprender a aprender (Psicología y Autoayuda) (Spanish Edition) Roberto García Carbonell

El Profesor Carbonell nos presenta bajo este título lo que la experiencia del pensamiento y de la vida le inspiró para servir a la formación de jóvenes y adultos durante más de treinta y siete años. En este método, de forma práctica y amena, pone de relieve su condición de maestro. Sus orientaciones persiguen motivar y concienciar sobre el interés de los estudios y de la buena preparación para lograr una vida más intensa y feliz. Todas las técnicas, recursos y soportes para aprender mejor con un mínimo de tiempo y de dedicación dejan ver el interés social, esencialmente humano, que deben tener el conocimiento en la realización personal, de la mano de una vocación de servicio a los demás y el anhelado progreso de todos. A este nuevo método, largamente experimentado, le confía el poder de activar y de mover la inteligencia y la voluntad de todos cuantos hayan de servirse de él. Los padres, los educadores y formadores, y en particular los jóvenes y adultos dedicados al estudio en sus diversas manifestaciones, descubrirán, en esta obra, la guía propicia para conquistar el éxito y la plena satisfacción de sus aspiraciones.
