Sacramental theology has often been a challenging area of conversation between Catholics and Protestants. In *Christ's Gift, Our Response*, Benjamin Durheim envisions a collaborative way forward, forging a conversation between two contemporary approaches to the connection between sacraments and ethics.

Drawing primarily from Louis-Marie Chauvet and the Finnish school of Luther interpretation, Durheim constructs a mutually enriching theological dialogue. Beyond comparison and contrast, this is an attempt to draw these theologies together as sources for each other, rather than as competitors.
