William Shakespeare

## Coriolanus (Dover Thrift Editions) William Shakespeare

A highly political play, *Coriolanus* concerns a military hero of ancient Rome who attempts to shift from his career as a general to become a candidate for public office — a disastrous move that leads to his collaborating with the enemy and heading an attack on Rome. Despite his battlefield confidence and accomplishments, Coriolanus proves psychologically ill-suited as a candidate for the office of consul and makes an easy scapegoat for the restless citizenry and his political opponents. The last of Shakespeare's tragedies, *Coriolanus* was written in approximately 1608 and derived from Plutarch's *Lives of the Noble Grecians and Romans*. A timeless tale of pride, revenge, and political chicanery, it remains ever-relevant for modern readers and audiences.
