Exposure: Two Plays

Greg MacArthur

Exposure: Two Plays Greg MacArthur

Expose yourself to one of the most original new voices in theatre with this collection of two uncompromising plays by Greg MacArthur.

Snowman: After years of wandering, Denver and Marjorie find themselves in a remote northern community at the edge of a glacier, chopping wood, renting out stolen videos and doing cocaine with Jude, a young gay man whose parents have abandoned him. When Jude discovers the body of a prehistoric boy frozen in the glacier, everyone finds their lives beginning to shift and thaw in unexpected ways.

girls! girls! girls!: Splitz deserved to win. Missy stole first place. Set in the cutthroat world of high school gymnastics, this play follows the Friday-night exploits of four teenage chums as they seek revenge for a loss on the vaulting horse. Told in a hypnotic, rap-meets-nursery-rhymes style, this play, which takes its cue from *A Clockwork Orange* and the Columbine massacre, is brutally violent as it explores what happens when emptiness becomes the norm.

Exposure includes an introduction by Peter Hinton.
