Handbook of Central American Governance (Routledge International Handbooks)

Handbook of Central American Governance (Routledge International Handbooks)

Central America constitutes a fascinating case study of the challenges, opportunities and characteristics of the process of transformation in today's global economy. Comprised of a politically diverse range of societies, this region has long been of interest to students of economic development and political change.

The *Handbook of Central American Governance* aims to describe and explain the manifold processes that are taking place in Central America that are altering patterns of social, political and economic governance, with particular focus on the impact of globalization and democratization. Containing sections on topics such as state and democracy, key political and social actors, inequality and social policy and international relations, in addition to in-depth studies on five key countries (Costa Rica, Nicaragua, El Salvador, Honduras and Guatemala), this text is composed of contributions from some of the leading scholars in the field.

No other single volume studies the current characteristics of the region from a political, economic and social perspective or reviews recent research in such detail. As such, this handbook is of value to academics, students and researchers as well as to policy-makers and those with an interest in governance and political processes.
