## **Memetic** James Tynion IV

What's to Love: Memetic is truly an event comic, and a wholly unique take on the disaster genre. Much like his work on *The Woods*, writer James Tynion IV-with the help of fantastic newcomer Eryk Donovan (*The House in the Wall*)-brings horror to a whole new generation of fans of J-horror films like *Uzumaki* and *The Ring*. Plus, *Memetic* was nominated for the GLAAD Award for Outstanding Comic! What It Is: A meme is an idea that starts with an individual, and then virally spreads to multiple persons and potentially entire societies. Richard Dawkins suggests a meme's success comes from its effectiveness to the host, but history shows that destructive memes can spread just as rapidly through society. *Memetic* shows the progression of a weaponized meme that leads to the utter annihilation of the human race within 72 hours. The root of this apocalypse is a single image on the internet, a "meme" in the popular sense. A meme that changes everything. Collects the complete three-issue miniseries.
