## One Day in Apple Grove C.H. Admirand

**Welcome to Apple Grove, Ohio (population 597), where everyone has your best interests at heart, even if they can't agree on the best way to meddle. When the townsfolk of Apple Grove need handiwork done, there's no job too small for the Mulcahy sisters: Megan, Caitlin, and Grace.**

Caitlin Mulcahy loves her family. She really does. But sometimes they can drive her to her last shred of sanity—from her dad ("I'm not meddling, I just want what's best for you") to her eight-months-pregnant older sister to her younger sister, who will do just about anything to avoid real work. Cait just needs to get away, even if for only an hour.

When she sees someone in need of help on the side of the road, of course she's going to pull over. She might even be able to fix his engine—after all, the Mulcahy family is a handy bunch. She's not expecting that former Navy medic Jack Gannon and a little black puppy named Jameson will be the ones who end up rescuing in her.
