Radhannya (Portuguese Edition)

João Drummond

Radhannya (Portuguese Edition) João Drummond

A humanidade sempre conviveu com seus vícios. As drogas nos dão um exemplo marcante de como podemos ser levados a mundos degradantes e sombrios, atraídos num primeiro momento pelo seu apelo fácil e sedutor. O prazer que ela proporciona é efêmero e via de regra, o caminho que oferece, sem volta. Paradoxalmente elas podem nos trazer condenação ou libertação. Muitas destas drogas, se bem utilizadas nos trazem a cura de males terríveis e doenças cruéis. Temos nas mãos este poder de escolha, podemos nos valer dele para o bem ou para o mal. Assim também é com a Internet. Todos os caminhos estão escancarados. Todas as opções são expostas neste cardápio universal, prontas para nosso consumo imediato, e da forma que nos aprouver. Radhannya é como uma droga. Um programa de computador que vicia e degrada seus usuários incitando-os ao ilícito e ao crime. A cada passo insignificante, um novo mundo se descortina para o usuário incauto. Um mundo, num momento inicial, de ilimitadas e reais possibilidades, que se afunila em direção a um reino sem lei, onde tudo pode e tudo vale. Lá naquele vale sombrio a morte não é o descanso eterno. À medida que se avança no jogo a consciência se rende, abrindo mão de suas defesas morais, e tornando paulatinamente o jogador em mais um vassalo de Radhann - Senhor Das Ondas Sombrias. Assim como as drogas, a Internet nos oferece de um lado a condenação de outro a libertação. A escolha é só nossa. Em suas posições senhores. O jogo já vai começar
