The Night Remembers (The Heart of the City Series, Book 2) Candace Schuler

Free-spirit Daphne Granger and nose-to-the-grindstone Adam Forrest had nothing in common but hormones and heat. The dissolution of their brief and tempestuous marriage was the proof. But fate has brought them back to where it all started.

Now rational adults who should know better than to play with fire, one look across a crowded room is all it takes.

Are Daphne and Adam grown up enough to get it right this time, or will fate deliver another blow?
