In uncertain economic times it is especially important to take whatever measures you can to protect the profitability of your business – taking advantage of the extensive array of insurance policies available, as well as making sure your financial planning makes use of all the most tax-efficient methods of remuneration, funding and distribution. Business Protection Simplified covers the whole range of options, including “keyman” insurance, credit insurance, health and safety instruments, currency risk, life assurance, employment insurance, and much more. It also addresses tactical and strategic measures which managers can employ to protect their businesses, through sound financial planning, tax-efficient management, and properly constructed employee incentive schemes. Business Protection Simplified is an essential survival guide which should be read by all business owner/managers, however large or small.
