Changing Styles in Shakespeare

Ralph Berry

Changing Styles in Shakespeare Ralph Berry

First published in 1981.

Each of Shakespeare's plays is in a continuous state of development in performance. This book examines major changes whilst focusing on six plays in detail: *Coriolanus*, *Measure for Measure*, *Troilus and Cressida*, *Henry V*, *Hamlet* and *Twelfth Night*.

Changing Styles in Shakespeare looks at representative and key productions to trace the evolution of each play on today's stage, illustrating how production changes relate to a changed perception of the play, and thus to shifts in social attitudes. It singles out the salient features of many productions, paying special attention to reviews and prompt books.
