The Jamieson Family Legacy series follows the lives of the two Jamieson brothers in Boston, Kidd and Ace and their cousin Cameron from St. Louis.

*Guilty by Association* is the story of Kevin "e;Kidd"e; Jamieson. Kidd has a chip on his shoulder because of his absentee father. How dare his father insist that his sons carry his last name when he did nothing but abandon his family? As far as he's concerned the Jamieson name is worthless and it shows as his anger seeps out into every area of his life and he carelessly leaves a trail of destruction wherever he goes.

When Kidd receives an invitation from a distant cousin, Parke Jamieson VI to come to St. Louis for a visit, he is hesitant but accepts almost as a dare. Initially he bumps heads with Parke but when a series of events involving a dog named Silent Killer, a pair of Stacy Adams shoes, and a couple of women of faith, take place, Kidd's raging storm is challenged.

Will determination to keep up his bad boy attitude and hatred for the Jamieson name destroy Kidd? Or, will the information he's given about his father's family and a few unexpected encounters break him and turn his life upside down?
