## **La descomposición del marxismo (Spanish Edition) Georges Sorel**

En La descomposición del marxismo, Georges Sorel adopta una crítica muy severa del fundamento mismo del marxismo, o en todo caso del Capital, a saber: la teoría de la plusvalía. Los pensamientos desarrollados por Georges Sorel en La descomposición del marxismo se refieren a un problema moderno, el de la degeneración de la social-democracia y la revolución proletaria. Otro libro del autor es Reflexiones sobre la violencia.
