Introduction

"I do not know what I may appear to the world, but to myself I seem to have been only like a boy playing on the seashore, and diverting myself in now and then finding a smoother pebble or a prettier shell than ordinary, whilst the great ocean of truth lay all undiscovered before me." - **Isaac Newton**

While the above quote portrays the child-like innocence of the great man and speaks volumes of his humility, in reality, Newton had a less fortunate childhood. Born in a remote village without the nurturing care of a loving parent, he never held back from speaking his mind. He argued bitterly when instigated, worked in secrecy, and even turned towards self-imposed isolation for long periods. Despite this, he discovered and achieved more than anyone could have conceived, both before and after his time...
