## **The Pochsy Plays** Karen Hines

Beckett meets Betty Boop in this trilogy of monologues by Canadian cult heroine Pochsy, a nasty, vapid, utterly charming vixen. In *Pochsy's Lips*, she's in the hospital, convinced she's sick because she's got a squid where her heart should be. In *Oh Baby*, she's at the Last Resort, on holiday from her job packing mercury. And in *Citizen Pochsy*, our little minx is in the waiting room at an audit from hell. In *The Pochsy Plays*, Hines remodels and melds traditions like stand-up, absurdism, clowning and neo-cabaret to create some of the most original and cutting satire to hit the stage – and, now, the page. Walk a mile in her distressed calfskin boots as the dark and ditzy Pochsy garbles ad slogans, self-help mantras and desperate grabs at meaning into a postmodern pastiche that is hilarious and harrowing, sweet and bitter at the same time. With extensive photos and musical scores, and an introduction by Darren O'Donnell.
