Anton Chekhov

The Seagull (Stage Edition Series) Anton Chekhov

“Senelick’s accomplishment is astounding.”—*Library Journal*

Anton Chekhov is a unique force in modern drama, his works cherished for their brilliant wit and insight into the human condition. In this stunning new translation of one of Chekhov’s most popular and beloved plays, Laurence Senelick presents a fresh perspective on the master playwright and his groundbreaking dramas. He brings this timeless trial of art and love to life as memorable characters have clashing desires and lose balance in the shifting eruptions of society and a modernizing Russia. Supplementing the play is an account of Chekhov’s life; a note on the translation; an introduction to the work; and variant lines, often removed due to government censorship, which illuminate the context in which they were written. This edition is the perfect guide to enriching our understanding of this great dramatist or to staging a production.

From reader reviews:

Randy Scott:

Book is to be different for each grade. Book for children until finally adult are different content. To be sure that book is very important normally. The book The Seagull (Stage Edition Series) ended up being making you to know about other understanding and of course you can take more information. It is quite advantages for you. The publication The Seagull (Stage Edition Series) is not only giving you a lot more new information but also being your friend when you sense bored. You can spend your own personal spend time to read your reserve. Try to make relationship with all the book The Seagull (Stage Edition Series). You never experience lose out for everything when you read some books.

Sarah McClain:

Nowadays reading books are more than want or need but also work as a life style. This reading routine give you lot of advantages. The benefits you got of course the knowledge the rest of the information inside the book that will improve your knowledge and information. The knowledge you get based on what kind of guide you read, if you want get more knowledge just go with education and learning books but if you want really feel happy read one together with theme for entertaining for instance comic or novel. The The Seagull (Stage Edition Series) is kind of e-book which is giving the reader unstable experience.

Alexandra Stafford:

Reading a book tends to be new life style within this era globalization. With reading through you can get a lot of information that will give you benefit in your life. Using book everyone in this world may share their idea. Guides can also inspire a lot of people. A lot of author can inspire their reader with their story or even their experience. Not only the story that share in the publications. But also they write about advantage about something that you need instance. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors these days always try to improve their ability in writing, they also doing some research before they write to their book. One of them is this The Seagull (Stage Edition Series).

Sheila Collins:

Is it a person who having spare time in that case spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something new? This The Seagull (Stage Edition Series) can be the respond to, oh how comes? The new book you know. You are thus out of date, spending your time by reading in this brand-new era is common not a nerd activity. So what these publications have than the others?
