Kissing the Limitless: Deep Magic and the Great Work of Transforming Yourself and the World T. Thorn Coyle

This book was written to be used in concert with whatever pagan tradition you are currently involved in. There are at least three levels to it: part one will help you strengthen the foundations of your spiritual practice, part two will ensure that you are sound in body, mind, emotion, sex, and spirit, and have developed will and ethics, and part three will lead you further into connection with your Godhood. . . The tools used to do this are breath work, dream work, pendulum work, aura reading, tarot, meditation, spells, and others. The goal of the book is to help guide you through the stages of personal consciousness that will then enable you to step into inclusive consciousness—a consciousness that encompasses the personal, political, environmental, social, mental, and transpersonal. [It is this] inclusive consciousness [that] enables us to reach the limitless, the divine, Goddess or God.
