Un viaggio introspettivo nell'anima di un uomo affranto per la perdita della propria moglie. Il racconto in prima persona della metamorfosi umana e spirituale di un musicista in crisi d'identità. Il resoconto dettagliato della composizione di un ciclo di lieder concepito a Berlino e venuto alla luce a Londra, quasi come fosse l'espletamento di un'Opera Alchemica. Il Romanticismo con tutto il peso della sua portata sullo sfondo. My sehnsucht - Diario segreto di Jonathan Tonson 1848-1850 è un romanzo epistolare. Un riuscito gioco letterario che prende le mosse dalle vicende che hanno portato gli U2, la famosa rock band irlandese, all'elaborazione del loro album berlinese Achtung Baby. Una storia che tratta del legame indissolubile che nell'arte esiste tra il sentimento e la prolificità, trattata come se il tempo che separa i nostri giorni da quelli di un'epoca lontana, com'è quella romantica, non fossero altro che una serie di cicli che si consumano nella ripetizione continua del processo ispirativo, che dalla perdita, rigenerandosi, può raggiungere e toccare i vertici del genio.
