Body, Remember: A Memoir (Living Out: Gay and Lesbian Autobiog)

Kenny Fries

Body, Remember: A Memoir (Living Out: Gay and Lesbian Autobiog) Kenny Fries

In this poetic, introspective memoir, Kenny Fries illustrates his intersecting identities as gay, Jewish, and disabled. While learning about the history of his body through medical records and his physical scars, Fries discovers just how deeply the memories and psychic scars run. As he reflects on his relationships with his family, his compassionate doctor, the brother who resented his disability, and the men who taught him to love, he confronts the challenges of his life. *Body, Remember* is a story about connection, a redemptive and passionate testimony to one man's search for the sources of identity and difference.
