When a villainous wizard escapes from exile, the devastatingly sexy Doomsday Brethren must defend all magickind in the spellbinding second book in bestselling author Shayla Black's seductive new paranormal series.

Ex-marine Caden MacTavish has shunned his magical heritage all his life, but he will do anything to heal his desperately ill brother, a Doomsday Brethren warrior in mourning for his missing mate. Posing as a photographer, Caden must convince firecracker tabloid reporter Sydney Blair to reveal the source of her recent exposé on a supernatural power clash. Unfortunately, keeping his hands off the sizzling redhead proves as hard as getting them onto the potent and mystical Doomsday Diary he discovers at her bedside. A bloody rebellion led by an evil, power-hungry wizard is imminent. If Sydney divulges the book's existence, she will jeopardize magickind's most deeply guarded secrets and become the ruthless wizard's number one target. Caden has never trusted magic's cruel and dangerous powers, but he will protect Sydney with his life and magic -- even if it means risking his heart.
