The DMZ Jeanette Windle

More than a decade after the end of the cold war has chilled the Marxist rebel movements around the world, one hot spot remains: Colombia. Why a democratic country with a growing economy should still feel the brushfires of a civil war is a mystery to U.S. analysts, but not to certain parties on the other side of the world.

The inexplicable loss of three major U.S. assets draws the attention of the world to the Colombian demilitarized zone. Are the local Colombian rebels responsible? Or is a deadly Middle Eastern secret cloaked by the jungle canopy of the DMZ?

Among the contingent of politicians and media headed for the DMZ seeking answers is reporter Julie Baker, whose parents had been missionaries in Colombia. Old hurts and terrors surge as she revisits the place of her birth... and her parents' deaths. When Julie's own abduction by guerrillas triggers a time bomb that has been ticking under the feet of the U.S. for a decade, she is left with more questions than answers.

From reader reviews:

Phillip Permenter:

Reading a book can be one of a lot of action that everyone in the world loves. Do you like reading book consequently. There are a lot of reasons why people enjoy it. First reading a guide will give you a lot of new data. When you read a e-book you will get new information mainly because book is one of several ways to share the information or their idea. Second, reading a book will make an individual more imaginative. When you studying a book especially fictional book the author will bring you to imagine the story how the characters do it anything. Third, it is possible to share your knowledge to some others. When you read this The DMZ, you may tells your family, friends as well as soon about yours reserve. Your knowledge can inspire the mediocre, make them reading a e-book.

Greta Rivera:

Spent a free a chance to be fun activity to complete! A lot of people spent their down time with their family, or all their friends. Usually they undertaking activity like watching television, gonna beach, or picnic in the park. They actually doing same every week. Do you feel it? Will you something different to fill your free time/ holiday? Can be reading a book may be option to fill your cost-free time/ holiday. The first thing that you ask may be what kinds of book that you should read. If you want to try look for book, may be the book untitled The DMZ can be excellent book to read. May be it is usually best activity to you.

Patrick Oneil:

People live in this new morning of lifestyle always try and and must have the time or they will get large amount of stress from both everyday life and work. So , whenever we ask do people have extra time, we will say absolutely without a doubt. People is human not just a robot. Then we consult again, what kind of activity do you possess when the spare time coming to you of course your answer may unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative with spending your spare time, typically the book you have read is definitely The DMZ.

Michael Johnson:

Are you kind of busy person, only have 10 or maybe 15 minute in your moment to upgrading your mind proficiency or thinking skill actually analytical thinking? Then you are receiving problem with the book when compared with can satisfy your short space of time to read it because all of this time you only find book that need more time to be examine. The DMZ can be your answer because it can be read by anyone who have those short spare time problems.
