The Royal Pain (Royal Series Book 2) Maryjanice Davidson

In a world nearly identical to ours, the North won the Civil War, Ben and JLo got married, and everyone dresses well to attend the Grammys. Oh, and Russia never sold Alaska to the U.S. Instead, Alaska is a rough, beautiful country ruled by a famously eccentric royal family, including oldest daughter, Princess Alexandria, whose acid wit and bad case of insomnia have turned her into a tabloid darling, a palace problem, and overall. . .

The Royal Pain

Marine biologist Dr. Shel ("Never Sheldon") Rivers has a problem. Some princess expects him to wait on her, hand and dimpled foot. His boss is taken with the royal redhead--brunette, whatever, it's not like he keeps track of that stuff--and nobody realizes that he just wants to be left alone in his lab. All alone. All the time. Weekends, holidays. . .it's all good.

Now here's Miss Royalpants, insisting that he escort her around the marine institute, explain what he's doing, kiss her until her toes curl. . .no, wait, that was his idea. She's not even apologetic about being born into a royal family! Says it's his problem to overcome, not hers. Which leaves him with one option: to kiss her again. And again. And. . .

So she's nothing like he expected. In fact, Dr. Rivers can see that this fantastic, exasperating woman has problems no princess should ever have to deal with. And he has an idea to help her get some much-needed sleep. Of course, it involves getting very, very tired beforehand, but if she's up to it, then so is he. . .

In this delightfully madcap sequel to *The Royal Treatment*, the Baranov family is back and as unpredictable as ever, and a prickly princess and cranky Ph.D. are about to discover that love conquers attitude every time. . .

From reader reviews:

Dewey Rascon:

In this 21st millennium, people become competitive in each way. By being competitive today, people have do something to make them survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that often many people have underestimated it for a while is reading. Yeah, by reading a publication your ability to survive raise then having chance to remain than other is high. For you personally who want to start reading some sort of book, we give you this particular The Royal Pain (Royal Series Book 2) book as beginner and daily reading book. Why, because this book is greater than just a book.

Pearl Young:

The actual book The Royal Pain (Royal Series Book 2) has a lot of knowledge on it. So when you check out this book you can get a lot of advantage. The book was authored by the very famous author. Mcdougal makes some research ahead of write this book. This book very easy to read you can get the point easily after scanning this book.

Kirk Banks:

Is it you who having spare time then spend it whole day through watching television programs or just lying down on the bed? Do you need something totally new? This The Royal Pain (Royal Series Book 2) can be the reply, oh how comes? It's a book you know. You are so out of date, spending your spare time by reading in this new era is common not a geek activity. So what these books have than the others?

Filiberto Dacosta:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just small students that has reading's heart or real their pastime. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Royal Pain (Royal Series Book 2) can make you sense more interested to read.
