"Why would you want to deny that you possibly could be a Spirit intransient, that you possibly could be more than your body, that you possibly could be more than what you have worked for all your life? And why would you want to deny that? Why would you not want to even consider it? Well, to deny that God lives within you is to deny that which is termed your ability for unlimited knowingness, your ability for unlimited love, your ability for unlimited power, your ability to manifest what was called in elder times the kingdom of heaven." - Ramtha
