## **erboristeria moderna (Italian Edition) Dr. Pifferi Marcello**

Questo libro colma un deficit letterario nell' ambito delle erbe medicinali che si trovano in erboristeria. La gran parte dei libri sulle erbe infatti descrive piante che seppur attive non hanno un vero mercato in erboristeria e sono pressoché introvabili. In questo libro, considerando solo piante classiche e ben sperimentate che potrete trovare in qualsiasi erboristeria nelle varie forme che propone l 'industria ,vi dà modo di accertarvi della bontà del prodotto che vi viene proposto e dà un contributo alla pratica dell' automedicazione sempre sotto la supervisione di un medico o comunque di uno specialista abilitato.
