"No Bull Information"---NBI---will help you to flourish in our information-dense world. You begin by sharpening your information sensors. I show you how to spot, avoid, and help to correct information absurdities.

Meet Arnbi---your guide on the road to better information. Arnbi has much advice to offer. Usually these are called ARMBisms such as:

Too bad, but "simple" is a square peg that seldom fits into the round hole that is our modern world.

Facts are necessary but they must be put into context (PUTFiC).

Lies, damn lies, and statistics---cute, but it's not that simple.

Winning World War II is a major cause of the health care financing crisis of 2013.

In a matter of hours, you will be able to use principles explained in NBI, take better control of the bull-laden world around you, and take action to improve everything from supermarket pricing to politicians' clichés. You can begin on your way to check out in a supermarket
