## **The Undad** Ingrid Brett

Jivan, a zombie, had always been a little different. He didn't understand emotions, or why he couldn't stop feeling like he wanted to feel; in many ways, he was not normal.

So when he met Peter, the six-year-old with a nasty habit of letting mother figures die in his place, Jivan did something that a normal zombie wouldn't have done: Jivan let Peter live. Which would've been fine, if Peter hadn't decided to follow him home, after Jivan's throat-ripping escapade left him short a parental figure.

But Peter ended up doing something Jivan didn't expect. Peter taught Jivan how to care and, somewhat more importantly, that love was not a weakness -- and that he, Jivan, might not even be a zombie, at all.
